'Same sex attracted and gender diverse young people – what is going well and what is not in 2011'

Lynne is the leading author of *Writing Themselves In 3* (2010), the third Australian, internationally pioneering national study of the health and wellbeing of same sex attracted and gender questioning young people. (She also lead the research team for the two earlier studies, *Writing Themselves In* (1998) and *Writing Themselves In Again* (2004)).
